

A FEW THINGS TO KNOW ABOUT MONEY MAKING

www.NigeriaBusinessPortal.com

1. Understand that creating wealth requires some risk.
2. Creation of multiple streams of income is the key to creating massive wealth.
3. The rich make their money work for them while the poor work hard for their money.
4. Keep more of the money you make.
5. Pay less for consumer purchases.
6. The rich consume less of their money.
7. Don't spend too much on automobiles. Cars don't make you money instead they depreciate.
8. Every kobo you hand to the bank is a kobo you did not invest.
9. Know how to make the bank pay you, instead of paying the bank.
10. There is no such thing as job security.
11. When you invest money, you get paid a return on your money, thereby creating wealth. When you borrow money or pay interest on debt, you are paying a return on someone's investment, thereby creating wealth for them.
12. Harness the power of compound interest to work for you to create wealth.
13. Answer immediately when opportunity knocks.
14. Never say "I can't"
15. Understand the value of time.
16. Only you can make you rich.
17. Money is the medium by which earthly success is measured.
18. Money makes possible the enjoyment of the best the earth affords.
19. Money is plentiful for those that understand the simple laws which govern its acquisition.
20. Recognize profitable opportunity and act immediately.

A FEW THINGS TO KNOW ABOUT MONEY MAKING

www.NigeriaBusinessPortal.com

21. You will never find wealth if you don't seek it.
22. Live on less than you earn.
23. Seek advice from those who are competent.
24. Control your expenditures.
25. Guard your treasures from loss.
26. Insure a future income.
27. Procrastination often gets in the way of good luck.
28. Wealth that comes quickly goes the same way.
29. Cultivate the habit of giving. The more you give, the more you receive.
30. If you hold on to your money, you risk losing the very thing you are hoarding.
31. True giving is done anonymously.
32. Don't beg for money and expect to get wealthy.
33. Think money day and night, you should even dream about it in your dream.
34. Don't buy on impulse. Compare prices.
35. Always collect your change after making purchases even if it is one naira. Every naira is a seed, if planted well can germinate into millions.
